

COMMUNITY UPDATE

Special Event 2 June 2-5pm

We're excited to be counting down the days to the KF Active Families event to be held at Kurrajong Park. We have had an amazing number of people register via info@kafra.org.au and our Facebook page.

INTERESTED? Numbers are limited for some activities. To pre-register we just need to know children's names, ages and the street you live in. (This allows us to run, fun and age-appropriate games and provide on-the-day catering).

Anyone can join in the fun facilitated activities or just come down for a snag, soft drink and a chinwag with your neighbours. If you have a local business bring your business cards on the day for us to display on our local business noticeboard.

Money raised on the day from the BBQ or from the \$10 family membership will go towards hosting the future events we are planning. This event is proudly sponsored by the Sunshine Coast Council's Community Grants program.

Rod's Garden Prize

ROD, a local resident, regularly selects a resident from our community for outstanding presentation of their gardens. Our current prize winner is Lindsay and Dean, CONGRATULATIONS!

Fortunately for Rod, we have many beautifully maintained gardens so he will never run out of choices. We are a community who are proud of how we maintain and present our properties.
