WOW!! What a day!

Over 100 Kawana Forest residents which included over 50 children joined in for 3 hours of fun activities and games at Kurrajong Park in June. The weather was perfect and the children ran their hearts out. It was an absolute pleasure to see.

The success of the event was made possible by the overwhelming support of our community. Thank you to everyone that supported the fund raising BBQ and drink sales, to raise money for future events.

The event was proudly sponsored by Sunshine Coast Council Community Grants and was run by the Kawana Forest Residents Association.

Grill'd Kawana 'Local matters' Community Donation Program

KaFRA would like to thank Grill'd Kawana for their generosity and support for our community. In the past month we had a coin jar in which a token is placed when a purchase is made. We were up against some very tough competition and are very happy to receive a \$100 donation.

Be sure to try a burger from Grill'd Kawana, as they are very tasty and the staff are friendly! **Thank you Grill'd Kawana !!**
