Kawana Forest Residents Association would like to invite **all** residents to join us for an afternoon of fun.

After having over 100 residents in total attend the last event, we have partnered with Kids Sports for another great event. The kids will have fun activities (including tug-of-war, sack races, jail-break, foam javelin, hurdles, agility ladder, parachute ball game, spinning plates, quoits, catchtail ball set, fling-o-majig). We will have more hands on deck to run separate events for the little crew and also activities for the adults, like croquet and quoits. We would like to see our whole community involved, with fun for everyone so bring your neighbour. If you feel like kicking back and watching the activity, bring a chair or picnic rug, relax and enjoy the afternoon. It's all about getting together and meeting your neighbours.

\*All children must be accompanied by a guardian and signed in on the day.
