

HALLOWEEN

What a huge contribution by our community and the kids. Great to read everyone's fun experiences of the night on the facebook community board. Everyone appreciated how well dressed and polite the children were. Well done guys!!

McGrath Estate Agents Caloundra - Community Giveback

The McGraths team always offer our community huge support, we are very grateful. Just as special is hearing the stories from the many amazing community groups at the presentation. Our community recently received a generous \$500 grant, which now provides a total of \$1000 from McGrath for a great event early next year. We look forward to having the McGrath team join us on the day. We are a very special community in the way we organise events. **Thank you to the McGrath team!!**

Rod's Garden Prize

Rod, a local resident, regularly selects a resident from our community for outstanding presentation of their gardens. Our current prize winner is Pam of White Cedar Drive. CONGRATULATIONS! Fortunately for Rod, we have many beautifully maintained gardens so he will never run out of choices.

KaFRA community engagement update

1. KaFRA have met with Sunshine Coast Council onsite to discuss residents concerns regarding the pathway under the Kawana Way bridge linking Kawana Forest to Birtinya. The issues are graffiti, lighting, pathway flooding in heavy rains due to poor drainage, and a peppercorn (invasive) tree nearby that needs removal. It is currently under further investigation by Sunshine Coast Council.
2. Great to see the new play area starting to take shape near Lillypilly Court.
3. KaFRA attended the Parklands Boulevard meeting organised by Sunshine Coast Council and provided feedback on the design of the new road.
4. KaFRA attended a recent Currimundi Lake Dynamics Panel meeting.
5. Based on 'Kawana Forest Community Board' facebook discussions, KaFRA distributed flyers mentioning a few points to make Halloween pleasant for everyone, both contributing and not contributing. It worked out very well with a huge amount of kids (and parents) having a ball.
6. Do you have children that attend Talara or Meridan College. There is a possibility that you can apply for a free Buslink Bus Pass for your children to travel to and from school, due to the distance from our estate to these schools. To find out more, or to apply for 2019, visit www.buslink.com.au.

We would like to thank Cr Rick Baberowski for attending the KaFRA committee meetings and assisting with our requests. We are very fortunate to have such a high level of service to our area.

Our valuable sponsors

Thank you to our valuable sponsors. For a small fee you can advertise your local business. Contact secretary@kafra.org.au to find out more.

A special thank you to Pacific Lutheran College for generously printing KaFRA newsletters and flyers
